

# Formal Concert Attire

Students are required to purchase formal concert attire.

**Students who show up to a performance and are not dressed in the appropriate attire may not be allowed to perform.**

Men: Tuxedos can be found at any formal wear store in the area. Men's formal concert attire consists of

- Tuxedo pants, shirt, and jacket (no cummerbund is necessary)
- Black bowtie, socks, and shoes

If you need help purchasing a tuxedo, please let the director know.

Women: Girls will be required to purchase concert dress uniforms. The director will make the dress order and women must submit their sizes to the orchestra director NO LATER than September 3. Below is the dress that our women will purchase for formal concert attire:

Cost of the dress is \$75.00 for regular sizes and \$95.00 for plus sizes. Checks should be made out to:

SOA HSO Boosters

***Please fill out the size form below and submit it to the director before September 3.***

*Note: Wind, Brass, & Percussion students may wear the formal concert dress required by the band director.*

## Formal Concert Dress Size Form

Student Name: \_\_\_\_\_

Measurements:

Height: \_\_\_\_\_

Chest or Bust: \_\_\_\_\_

Waist: \_\_\_\_\_

Seat or Hips: \_\_\_\_\_

Inseam: \_\_\_\_\_

Sleeve: \_\_\_\_\_

Dress Size: \_\_\_\_\_

### 1. To Measure Height

Have **HIM** or **HER** stand against a wall (shoeless). Place a flat ruler across top of head to wall. Measure from that point down to the floor.

### 2. To Measure Chest or Bust

Measure **HIM** across shoulder blades and bring tape measure under his arms and across his chest. Measure **HER** across shoulder blades and bring tape measure under her arms and around the fullest part of her bust.

### 3. To Measure Waist

Measure **HIM** or **HER** around the smallest part of the natural waist.

### 4. To Measure Seat or Hips

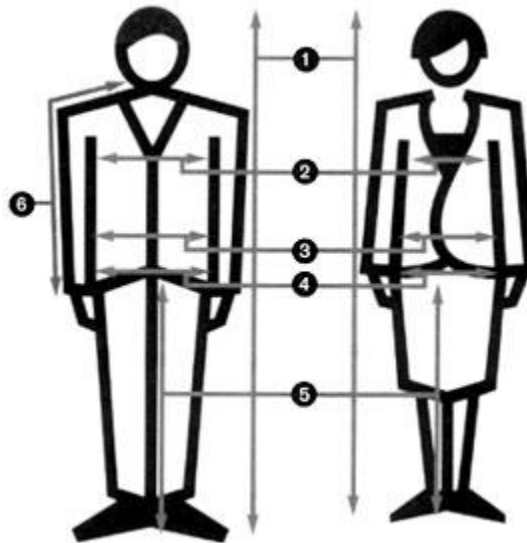

Measure **HIM** around the fullest part of his seat. Measure **HER** around the fullest part of her hips.

### 5. To Measure Inseam

Measure **HIM** or **HER** along the inner seam from the crotch to the bottom of leg.

### 6. To Measure Sleeve

Measure with bent elbow, measuring from the center of back of neck, across the shoulder, down to elbow and from point of elbow to wristbone.

**Please submit this form with a check made out to: SOA HSO Boosters**
